

The Cognitive Psychology Unit of the Institute of Psychology of the Faculty Social and Behavioural Sciences and the Leiden Institute for Brain and Cognition (LIBC) are looking for a highly talented staff member for the position of

Assistant Professor in Cognitive Psychology or Cognitive Neuroscience (1.0 fte)

Vacancy number 6195

Key Responsibilities

- Conducting independent research in your field (40%);
- Teaching suitable BSc and MSc courses and supervising BSc and MSc research projects (60%);
- Contributing to organizational activities of the institute.

Selection Criteria

- We seek candidates who have demonstrated excellence in teaching abilities, and have experience with various types of teaching and supervision of students at different stages of their education;
- Candidates should have a strong research record, evident from (among others) a completed PhD thesis and peer-reviewed (international) publications on topics in cognitive psychology or related fields;
- Valued research experience: modeling skills; programming; neuroimaging (fMRI and/or EEG); valorization of research; collaboration with industrial / non-academic parties.
- Proficiency in the Dutch language is not essential but candidates are expected to acquire a good command of the Dutch language within the first year;

Our faculty

The Faculty of Social and Behavioural Sciences comprises four institutes: Education and Child Studies, Political Science, Psychology and Cultural Anthropology & Development Sociology. The Faculty also includes the Centre for Science and Technology Studies. The Faculty is home to 5,000 students and 600 members of staff. Our teaching and research programmes cover diverse topics varying from adoption to political behaviour. For more information, see <http://www.universiteitleiden.nl/en/social-behavioural-sciences>.

For research at our institute LIBC we offer an exciting research environment including EEG, fMRI, eye tracking, virtual reality, and brain stimulation. For more information see

<https://www.universiteitleiden.nl/en/social-behavioural-sciences/psychology/cognitive-psychology> and <http://www.libc-leiden.nl/>

Terms and conditions

We offer a four-year term position. Salary range from € 3637.- to € 5656.- gross per month (pay scale 11 or 12 in accordance with the Collective Labour Agreement for Dutch Universities).

Leiden University offers an attractive benefits package with additional holiday (8%) and end-of-year bonuses (8.3 %), training and career development. Our individual choices model gives you some freedom to assemble your own set of terms and conditions. Candidates from outside the Netherlands may be eligible for a substantial tax break. More at <https://www.universiteitleiden.nl/en/working-at/job-application-procedure-and-employment-conditions>.

Leiden University requires teaching staff to obtain the University Teaching Qualification ([UTQ](#)). If the successful applicant does not already possess this qualification or its equivalent, he/ she must be willing to obtain this Qualification within two years.

Diversity

Leiden University is strongly committed to diversity within its community and especially welcomes applications from members of underrepresented groups.

Information

For inquiries, please contact professor Sander Nieuwenhuis, email snieuwenhuis@fsw.leidenuniv.nl.

Applications

Please submit online your application **no later than the 30th of April 2019** via the blue button of our application system (available from April 16th at <https://www.universiteitleiden.nl/en/working-at>). Applicants should submit online a letter of interest and a cv with a list of publications.
