Education Programme

4th HBP STUDENT CONFERENCE

on Interdisciplinary Brain Research

21-22 January 2020

Pisa, Italy

Abstract submission deadline: 30 September 2019

Registration deadline: 8 January 2020

Call for submissions

The 4th HBP Student Conference on Interdisciplinary Brain Research provides an open forum for the exchange of new ideas among young researchers working across various aspects of science relevant to the Human Brain Project (HBP) and offers a space for extensive scientific dialogue.

Participants are welcome to submit abstracts to present their research in dedicated student sessions (short talks and/or poster presentations). We invite original high-quality submissions describing innovative research in all disciplines addressed in the HBP. These contributions can emphasise theoretical or empirical works relating to a wide spectrum of fields including but not limited to: **neuroscience, computer science, robotics, medicine, psychology, cognitive science or philosophy**. We particularly encourage submissions with a potential to inspire collaboration in the research community by introducing new and relevant problems, concepts, and ideas, even if the work is at an early stage of development.

Participation information

Participation in the 4th HBP Student Conference is open to the entire student community and early-career researchers, regardless of whether they are affiliated with the Human Brain Project or not. It is aimed to offer equal opportunities for all early-career researchers regardless of gender, age, origin, etc.

Registration for the conference is required.

Speakers confirmed

Claudia Casellato (University of Pavia, Italy)

Julia Guiomar Niso Galán (Universidad Politécnica de Madrid, Spain)

Dominik Kutra (EMBL, Germany)

Wolfgang Maass (TU Graz, Austria)

Alberto Mazzoni (Scuola Superiore Sant'Anna, Italy)

Andrew Rowley (University of Manchester, UK)

Dieter Sturma (Forschungszentrum Jülich, Germany)

Tilo Schwalger (TU Berlin, Germany)

Human Brain Project
Education Programme

Fees:

Online registration (until 8 January 2020):

€ 100.00 for students | € 150.00 for regular participants

On-site registration:

€ 150.00 for students | € 200.00 for regular participants

The fee does not include travel and accommodation.

A limited number of registration fee waivers and travel grants is available for participants who successfully submit an abstract for presentation. Participants can apply for support prior to the abstract submission deadline by sending an email to education@humanbrainproject.eu.

Conference Programme Committee:

Chairs

Sandra Diaz | Forschungszentrum Jülich

Gabriel Urbain | Ghent University

Committee

Carmen Alina Lupascu | Italian National Research Council

Luca Peres | University of Manchester

Marta Turégano | Universidad Politécnica de Madrid

Alexander van Meegen | Forschungszentrum Jülich

Alper Yegenoglu | Forschungszentrum Jülich

Organisers:

HBP Education Programme Office | Medical University Innsbruck

Contact organisers:

education@humanbrainproject.eu

Contact Programme Committee:

studentrep@humanbrainproject.eu
